

EASY CAMP YOUR ONE STOP SHOP FOR ALL FUNKY FESTIVAL CAMPING KIT

Music, parties and fun... Yes, it's festival time! And Easy Camp has everything you need for carefree life outdoors, including a whole range of quick-to-pitch funky CARNIVAL tents.

With new designs and vibrant colourways, the Easy Camp CARNIVAL range offers fresh and lively flair combined with contemporary style and designs that make a clear statement about not being tied to convention but living life to the full.

Uninhibited style is underpinned by functional practicality in great value-for-money tents with quirky themes for the colour combinations and patterns that run through the themes of Day and Night. Contemporary, lightweight CARNIVAL tents are pitched quickly and easily without fuss to leave more time to spend relaxing with friends. Behind the simple dome, tipi and pop-up designs are reliable fabrics, components and taped seams delivering complete waterproof protection.

Get into the festival spirit the moment you arrive with the Daysnug and Nightden (pictured right) pop-up tunnels. Simply open the circular carry bag and watch the tent spring into shape. Then just peg out, kick back and relax in bohemian print style with mesh door inserts keeping things cool inside.

The classic dome-style Dayout (pictured left) and Nightcave tents deliver reliable protection and camping comfort for two people, in colours to suit personal style. Both are lightweight and easy to pitch with sturdy fibreglass poles and a sewn-in groundsheet. Features include a handy hanging point for a lantern, organiser pocket, and mesh door panel and roof vents for ventilation.

The popular Dayhaven and Nightshade (pictured right) tipi-style design sleeps up to four people. These versatile single wall tents use an easy-pitch single central pole, with a full mesh screen behind the fabric door, multiple guylines for stability, taped seams, durable sewn-in groundsheet, a pocket and an apex cowl over the efficient venting. The carrybag continues the cool pattern print and has comfy webbing handles for easy carrying.

The fun, practical element continues into the sleeping bag range with the Bohemian Day (pictured left) and Night sleeping bags that have vibrant patterns and cool design detail to match the tents. Each model offers polyester insulation, comfortable polycotton-feel outer and cosy brushed polyester linings in complementary colours. Full-length, easy glide zips allow flexible opening for easily adjustable warmth. A wide range of self-inflating mats and airbeds complete bedroom comfort.

Stage-side protection continues with the Beach (pictured left), Ocean (pictured right) and Bay (pictured below left) – cheerful day shelters in sunny colours that stand out from the crowd. Easily carried and quickly opened, the Coast (pictured below right) is a huge umbrella with side walls and a detachable groundsheet – perfect instant shelter that can be easily moved to suit conditions.

Easy Camp also offers choice daysacs, rucsacs and hold-alls to transport camping gear around or to keep essentials to hand when at the stage. Add the wide selection of useful accessories, like waterproof bags and protective cases for tech, then you haven't got to look any further than this Scandinavian brand for all your festival needs. And you'll find the great value-for-money price tags save the wallet for the party...
